### Youth Funds

The Youth Funds notification in the amount of \$1.8m has been received; the notification was shared with the Board for approval to accept the funds.

### PY 2015 Budget

The PY15 DWD Program Year Budget was presented to the Board. The budgets cover DWD's annual program revenue and expenditures for July 1, 2015 – June 30, 2016. Ms. Chapman briefly discussed the budget and informed the board that these are some of the same funds voted on every year; the budget itemizes expenditures by category and funding stream.

### Youth Summer Employment Extension

The Summer Youth Employment Training Program began June 1, 2015 and is scheduled to end July 24, 2015. There have been requests from employers to keep the youth on longer and funds are available in the youth budget. With the approval of the Board, we would like to extend the summer program until September 11, 2015.

### Mass Exits

There are 660 unsuccessful people in our system that we would like to exit in order to bring in new people that need the services and will actively participate. A mass exit would negatively affect DWD's performance. However, Ms. Stone explained if we plan on having a mass exit, this will be the time; the state is strongly encouraging this statewide mass exit.

### Local Plan Modifications

The WIOA Local Plan Modification Summary distributed today, lists updated changes from the Workforce Investment Act (WIA) to the Workforce Innovation and Opportunity Act (WIOA), Local Governance, Youth, Performance Metrics, Program Design and Finance. With the approval of the board, the final document with updates will be posted on the DWD website for public viewing.

A motion was made by Lance Wise and seconded by Cynthia Edwards to approve the Action Items as presented; the Board rendered a unanimous vote of approval.

#### SETA Conference

Plans are under way for the 2015 Southeastern Employment & Training Association Fall Conference, September 13-16 at the Hyatt Regency in Savannah, Georgia. A highlight of SETA is providing workforce professionals the opportunity to network and grow professionally. These opportunities are provided through the fall and spring conferences that are hosted annually. An offer to attend the conference was extended to board members; DWD will cover costs for 2-3 WIB members.

#### Board Meetings (day, time)

Being that we are starting with a new WIOA Board, the date and time of the meeting was discussed to determine if the current schedule is accommodating. After a brief discussion, present members agreed that the current scheduled board meeting time is suitable; the 4<sup>th</sup> Wednesday of every other month at 11:30a.m. Committee meetings will continue to be on the same day as the board meeting, time tbd by each committee.

#### WIOA Board Orientation – John Chamberlin

John Chamberlin, a lawyer with over thirty years of experience in managing, designing and troubleshooting workforce services, discussed issues and key legislative provisions of WIOA. National consultant, John Chamberlin gave a presentation on the purpose of WIOA, the changes to be expected, timeline/implementation and responsibilities of the Board.
